

## **50/50 RAVENS DRAFT - RULES**

- There is a \$10.00 per entry cost.
- You may take as many chances as you like. You may guess for as many player positions as you like, however, it's one guess per entry.
- Those entering have the ability to **TRIPLE** their chances in the raffle by correctly guessing the player position of the Ravens' first 2015 draft pick! It's a 50/50 with a twist!
- Persons correctly guessing the right player position will have their name entered a total of 3 times in the raffle drawing (instead of once) thereby increasing the chances of their name being drawn.
- If a guess should not be correct, don't worry! You still have your name entered once for the incorrect guess. However, if a guess should be correct, then your name is entered **THREE TIMES!!!**
- All completed entry forms should be returned to a Raven Roost #115 Board Member by April 29th.
- The 50/50 raffle drawing will occur at the regularly scheduled monthly meeting of the Raven Roost #115 in May. Winner does not need to attend. We will notify winner after the May meeting should they not be present for the drawing.
- The Lucky Winner will receive 50% of the proceeds collected from ticket purchases.
- Proceeds benefit Local Charities designated by Ravens Roost #115.
